4) Enter in your company information and click on the “Submit Request” button when you have completed the form.

### What Happens Next?

Once the request has been submitted the BatRF team will create a WebBAT account for you and respond to you with your login ID and password. You may change your password once you have logged into the account. Although we try to respond within a couple of hours of the request, please allow one business day for account set up.

**Thank you for your interest in BatRF!**
